- Model/Clients are required to bring a range of outfits for their desired looks. A wardrobe stylist can be arranged but will incur additional fees.
- You will be required to sign a model release form and any further contracts.
- All Negatives, RAW/Unedited files always remain the sole property of the Photographer. I do not supply any original files unless otherwise agreed. A further fee must be negotiated for the License to Use of these files.
- Production time of the final photographic work is anything from a 4 to 8 week turnover. I have the right to extend this time to ensure my work is presented at a high standard and reflects the final vision and aesthetic. If you require any final images immediately a fee for 'rushed' work will be charged, prices vary depending on job.
